

Family will always be family, whether related by blood or made through our various journeys in life. If you have passed through the phenomenal greatness that is GRANGE SCHOOL over the past five decades regardless of the duration of your stay at the school, we have great news! We have successfully found a medium to keep in touch and keep all of us connected. We have been able to keep the GRANGE SCHOOL family truly international, as we have found ourselves scattered across the globe and immersed into various different disciplines.

We are delighted to announce the launch of a long overdue Grange Alumni Association. The Alumni Association promises to be a platform which will give you and every single ALUMNI the opportunity to stay connected and to continue learning from this phenomenal community in order to keep advancing, progressing our individual lives and glorifying the school's reputation. We hope this platform betters the school Alumni as well as the school and our various communities. This association also promises to be fun for the most part. It will include an Alumni Magazine which will feature the various Alumni and Alumni news stories from all over the world: a collection of success stories, reunions and wedding stories. It also promises more.

All in All and Crucially, your contributions are welcome to make all of this a success, to build a better association and school. This will also be a degree of inspiration to those who are still students of GRANGE SCHOOL. It will be an utmost pleasure to have your contribution. Without you, this dream will not become a reality. GRANGE SCHOOL ALUMNI will become a reality and will continue to grow and improve just as our motto: A Culture of Continuous Improvement[®].

If you would like to express an interest to sit on the governing board of the association, please do so by emailing us with that information. Lastly, if there are any questions you would like to be answered or any information you need please do not hesitate to contact us via email. God bless you. God bless Grange School.

The President
